

## HOTEL LIST PROXIMITY GUIDE – SPECIFIC TO EL CORTECITO (TOURIST TOWN OF PUNTA CANA)

The resorts listed below are first organized in order starting North to South along the East coast (broadly referred to as Punta Cana). The hotels are then identified by “Proximity” to the actual tourist town of Punta Cana, called El Cortecito, where you’ll find some of the most beautiful white sandy beaches in the world. A whole other world exist beyond the resort compound walls. The El Cortecito and Bavaro areas are where thousands of Expats from around the world live, work, and play.

**Please scroll down for the actual hotel contact information and links.**

**NOTE:** Taxis are available in all resort lobbies. However, if the resort taxi reps attempt to charge you much more than the approximate prices shown below, they are only middle-men, so please call an outside taxi driver.

*Taxi Turistico Beron / Ask for Alejandro who speaks English and very helpful / 809-706-1133*

*Suitratural: / 809-552-0617 / <http://www.taxibavaropuntacana.com>*

Remember also, resort personnel will try to scare you into NOT leaving their resort because they are protecting their own best interest, and you really can’t blame them. **REMEMBER, TOURISTS ARE VERY SAFE IN THE PUNTA CANA & SURROUNDING AREAS!**

**NOTE:** if you are planning to venture out on foot into the tourist town, located in El Cortecito, you will need to either book a hotel near El Cortecito, Unfortunately there are no 5 star resorts in El Cortecio. However, there are a couple 3- 1/2 star hotels. Another popular option is renting a newer vacation rental condo in El Cortecito; where you'll discover everything is within walking distance like several public beach/bar restaurants/ nightclubs, casinos, shopping, excursion companies, PLUS, the areas where we expats live and work – like grocery stores, our favorite pubs and bars, bakeries, internet café's, billiard pool, local clothing stores, ATM's, Banks, Dentist, Doctors, our spa's (massage), mini markets, office supply shops, souvenir shops, etc. Nearly all the businesses in El Cortecito are very new and modern.

**CONDO VACATION RENTAL OPTIONS:**

**All condos (or villa) are located in or near the heart of Punta Cana Tourist district**
